

CAKE

Touchless Payments

CAKE Payments is an integrated payment solution for your POS system. We offer competitive rates and accept all major credit cards. With features like paperless receipts and touchless payments, you'll be well prepared for the post COVID-19 landscape.

With Apple Pay, Google Pay, and Samsung Pay, your customers can pay at the point of sale with their mobile device and avoid using cash or credit cards.

Transparent Pricing

Industry-low rates per swipe.

Smart Chargeback Assistance

We'll help fight back against fraud.

No Complicated Paperwork

Start accepting payments in minutes.

No Fixed or Monthly Fees

Only pay when you use it.
